Re: United States v. Joaquin Thatcher
13 Cr. 847 (KMK)

Dear Judge Karas:

This letter is respectfully submitted to request that conference on the violation of supervised release, previously scheduled for December 14, 2023, be adjourned for approximately 30 days to a date in mid-January that is convenient to Your Honor.

I have been informed that Mr. Thatcher will be produced to the MDC on Thursday, December 14th. Due to prior commitments, I will not be able to meet with Mr. Thatcher until Saturday, December 16th. Both Assistant United States Attorney Scott Hartman and I have been working on obtaining copies of the underlying paper work from Mr. Thatcher's state case which gave rise to the VOSR.

To give me sufficient time to obtain the necessary paperwork and to meet with Mr. Thatcher, I respectfully request this adjournment. It is my understanding that the Government has no objection to this request.

*Granted. The conference is
Adjourned until 1/14/24 at
11:30 A.M.
12/15/2023*

Respectfully submitted,

/s/Andrew Patel
